## Instructions

1

**Store** `backup.secret` **somewhere safe on your computer, on a USB Flash drive, or in a cloud storage such as iCloud or OneDrive. Do not share it with anyone.**

2

**Print the three Recovery Key PDF documents, and give them to their recipients.**

3

**Delete** `recovery-kit.zip`, **and the** `recovery-kit` **folder it was automatically unzipped into.**

You may keep this document. It contains no sensitive information.
